8 Swisspearl color overview

Independence and diversity

The Swisspearl facade panels get their independence through countless finishes and colors that offer seemingly limitless diversity. Below is an overview of the surface and color options. They are described in greater detail on the pages that follow.

CARAT

Unique natural look and timeless beauty. The translucent lightly pigmented finish adds a distinguished expression.

GRAVIAL

Rich contrast, unique interplay of light and shadow. The linear geometrical grooved surface offers countless options for making a special statement.

VINTAGO

Natural authentic, lively and unique look. The sanded surface highlights the purity of the fiber cement panel.

TEXIAL

A collaboration between woven fabric and embossed fiber cement. The unique embossing creates a vibrant interplay of light and shadow.

AVERA

Authentic and vibrant. The transparent coating lets the original natural look of the fiber cement shine through.

INCORA

Stylishly authentic with a vivid spreading pattern and unique interplay of colors.

REFLEX

A shiny look and metallic character. Depending on the lighting and vantage point, the reflective surface coating produces amazing nuances of color.

NOBILIS

An authentic fiber cement look. Select grey/color tones give the Nobilis panel its unique character.

10 Swisspearl Carat

Unique natural look and timeless beauty

Carat is a through colored fiber cement panel with a translucent lightly pigmented finish. The unique natural look and timeless beauty of the monolithic material ensure a distinguished expression.
